Date	Time	Comment
November 22, 2022		Met BPSD maintenance staff Bob on-site at ER School to discuss sand they are finding in their plumbing fixtures. Discussed solutions as to where the sand is coming from and suggested that the school division flush the hydrant on the school property. SaskWater suggested that the school division as well as the Town/fire department flush the hydrant.
November 24, 2022		Discussed ER School sand issue with Gary. Suggested that town staff is aware of the issue as some other residents are also having the same issue. Town staff believes the sand issue is coming from water softeners in the individual homes.
