

Double K Recreation Facility Sponsorship Opportunities

The Town of White City invites you to be a part of our Double K Recreation Facility. We are currently seeking out individuals looking to advertise their business on our rink board or pennants.

Our community outdoor rink is always buzzing with activity throughout the year and is visited by families with an interest in sports like hockey, ringette, lacrosse, and broomball. The facility is even host to CHILLFEST - White City's annual Winter Festival.

The Town understands sponsors are a key ingredient to the success of our community rink, and we look forward to working with alongside a range of businesses to help grow and create beneficial partnerships.

You will find the current available sponsorship packages below. However, if these do not suit your needs, we will happily tailor a package specifically for your business and budget.
